THE BARNACLE

Published by the Senior Class

BARNSTABLE HIGH SCHOOL

To
Melvin C. Knight

Principal of the Barnstable High School,
who for three years has aroused the pupils to higher
standards of work, to stronger interests in activities,
and to broader social contacts; and who has guided
not by word alone, but by his example, the
Class of Nineteen Hundred and Thirty-seven
appreciatively dedicates this volume.

*"he loved chivalrye,
Trouthe and honour, fredom and curteisye,
He was a very parfit gentil knight."*

—Chaucer

CLASS ODE

(Tune: "Juanita")

Deep in us pulsing
Comes the knowledge we must part.
Last, golden moments
Let each store at heart.
Though our paths lie separate,
Yet one bond shall all unite;
Thoughts of this, our high school,
Keep our ideals bright.
Barnstable, our loved Barnstable,
All you've done we recognize.
How you for us have striven,
Makes tears dim our eyes.

May all your teachings
Ever through our lives abide,
In mind, manners, morals,
Always be our guide.
For the acts that hurt you,
For our words said without heed,
We, for youth unthinking,
Your forgiveness plead.
Farewell, our loved Barnstable,
Keep your standards high alway.
May God protect and keep you,
We with fervor pray.

VIVIAN ALMEIDA
Santuit

Glee Club 3, 4; Interclass Hockey 2.

CARRIE BARTLETT

Cotuit

"Of loyal nature and of noble mind."

Glee Club 4.

ELLIOTT KROOK
West Barnstable

"Quiet it seems, but is it true?"

"Actions speak louder than words."

"Herby" is a boisterous fellow, strong-minded, and humorous. His knowledge of boats and of the sea will probably rate him a position in a few years. When "Herby" is once fixed on a subject, it takes a lot of persuasion to change his mind.

MISS KATHERINE NEHUBIAN

Class Adviser

THE Class of 1937 takes this opportunity to express their sincere thanks to KATHERINE M. NEHUBIAN, their class adviser, who trained and directed them through a successful minstrel show and has organized this year book; and to CORINNE WEBER HURST, who as literary adviser has worked untiringly with and for them in the preparation of this volume of *The Barnacle*.

HISTORY OF THE CLASS OF 1937

Although we have reached a stage in our careers where it is quite proper to look seriously into the future, it is well also to pause and glance back over the years that we have passed at Barnstable High School.

On September 9, 1931, the Class of '37 entered B. H. S. with an enrollment of one hundred forty-three members. The excitement which many felt in being transported several miles by bus daily, the seeming maze of corridors, and the unreality of so many strange faces make us remember this year but faintly during which we sought to adjust ourselves to school life—studies first, and activities second. Barbara Siira succeeded in winning a five-dollar prize for an essay on Washington.

When we returned to school in the fall of 1932, we were under the supervision of a new superintendent of schools, Mr. Ralph Barr. Also, Mr. Arthur Lee had come to succeed Mr. Lowe as principal. To the pupils, the high spot of this year was the innovation of social dances, held once a month.

Time went by, and before we knew it, we were facing another school year with our class decreased to one hundred thirty pupils. For the first time students from the Hyannis State Teachers' College were allowed to train in the high school. The establishment of the Barnstable High School Vocational Household Arts Department was approved by the State Department of Education.

During this year our great friend, Mrs. Boody, whom most of us had known ever since we first began school, resigned as supervisor of art in the town and as head of the art department at high school, and was succeeded by Miss Janet C. Jones. Clare

Dunham shone for the eighth grade by winning the second prize in the Speaking Contest.

At the beginning of our sophomore year, in 1934, several changes of significance to our life took place. Mr. Melvin C. Knight had come to us as principal. Mr. Connor, a graduate of this school, returned as a member of the faculty and became our class adviser as well as a football coach. For the first time we elected class officers: Charles Cross, president; Francis MacEacheron, vice president; Miriam Ruska, secretary; and James McNary, treasurer. The Student Council of Barnstable High was organized with Freeman Smith and Russell Rucker as our representatives. In matters requiring faculty guidance we often found ourselves facing a Connor, yet we were never scratched by a Briah.

One of the first things that pupils learned this year was to tell time and that the little black marks on the dial of a clock or watch indicated a difference—all the difference between being *on time* or LATE.

This year saw the agricultural department established with Mr. Jesse Taft at its head. Donald Beales, Leander DeGrace, and Edward Starr took advantage of this course to prepare themselves for some agricultural vocation. These members of our class even their first year were all on the State Judging Team of Ornamental Horticulture (flowers and shrubs, to you) in the contest at Amherst.

The glee clubs were also organized—the boys', with an enrollment of fifty; and the girls', with one hundred members and with Rita Kelley, secretary.

Reflected glory shines upon our class by our having Bryce Dunham, Charles Cross, and Alpo Hemmila represent us in the band when it first sported its stunning scarlet and white uniforms at the opening of the bridges over the Cape Cod Canal on July 10, 1935, and carried off the first prize.

Junior year! What a store of memories that word releases! After the fine start in class entity made in our sophomore year, many of our members returned to high school determined to develop themselves further scholastically and to bring recognition to the class by participating in various forms of school activities. Throughout the year the class was ably directed by Russell Rucker as president; Freeman Smith, vice president; Robert Lebel, treasurer; and Agnes Weigert, secretary. Mr. Edwin Milk was class adviser, and the class deeply appreciated the seemingly tireless manner in which he worked in order to make the year a success.

Early in the fall, greater interest was stimulated in athletics through the organization of the B. H. S. Athletic Association and the issuance of All-Sport Season Tickets. Charles Cross became treasurer of the athletic association.

In November, "The Clipper" reappeared, this time as a junior-senior high publication under the direction of Miss Harris. Madeleine Reed, Carrie Bartlett, Gladys Hamblin, Charles Cross, and Bryce Dunham represented our class on the staff. The efforts of all were rewarded by "The Clipper"'s being rated in the fourth place in its class by the Columbia Scholastic Press Association.

The band, partly through the efforts of four of our class, won a silver cup, presented them by Alexander Pate, chairman of the Armistice Day Committee, for their excellent appearance and fine playing.

In the first state-wide speech tournament for high school pupils, John Bleicken placed second in extempore speaking in the preliminary contest in which Barnstable was host to the schools of southeastern Massachusetts and represented the school in the final contest at Williamsburg.

Leander DeGrace this year won a gold medal for first place in the individual judging in the 4-H vegetable judging contest at Massachusetts State College in November. Donald Beales placed second in the Agricultural Public Speaking Contest held at Dartmouth.

In March, Rita Kelley, Claire Pollock, Bernard Desmond, Carl Liimatainen, Alpo Hemmila, Estelle Nelson, Bryce Dunham, and Mary Chaffin went with Mr. Griffiths and the twenty other pupils from Barnstable High to Springfield to join in the New England Music Festival.

The major activity of our class during the year was the Junior Prom. The decorations, suggestive of a city sky-line at night, created an atmosphere in which the dancers spent a most enjoyable evening. For the success of the Prom, the class owed its gratitude to the Junior Class Social Committee, of which Carl Liimatainen was chairman, and to the decoration committee, headed by Louis Bowes.

This brings us to the fall of 1936, in which, with 101 members, we entered our senior year. Class officers elected for the year were John Bleicken, president; Madeleine Reed, vice president; Estelle Nelson, treasurer; and Agnes Weigert, secretary. Miss Nehubian was unanimously elected class adviser. In quick succession followed the exciting days of having our class pictures taken, choosing class rings and pins, and rehearsing for the minstrel show, by which, when it was given in February, we earned approximately five hundred dollars.

Not long after our return to school, we were all sobered by the withdrawal of Tommy Maki, who was facing death in the Cape Cod Hospital. Tommy was captain of the baseball team and a star basketball player and would otherwise have been of the present graduating class.

Early in the fall Russell Rucker was elected president of the Student Council, and Madeleine Reed, secretary-treasurer. Lillian Holman and Freeman Smith were our representatives. Virginia Richmond was elected president of the Girls' Glee Club. At the football banquet Everett McIntyre was honored by being awarded the Hinkle Trophy for co-operation and sportsmanship.

In December, the whole school was saddened by the death of Mr. Boody, who for forty-one years had given his services to the youth of the town and had won their great affection.

After New Year's, still further distinctions were won by some of us seniors: during the debating season John Bleicken represented the class of '37 on the teams, which won three of the four debates in the Colonial League, and also debated in the State Forensic Tournament at Charlton; Kenneth Snow took first prize offered by the Hyannis Woman's Club for a poster illustrating the best in motion pictures. His cover design was also selected by Superintendent Barr for the school report; Leander DeGrace received a medal awarded by the Horse and Mule Association of America in the state-wide Horse Judging Contests held at Amherst in October and March; and Bryce Dunham was chosen president of the newly organized Better Speech Club.

"The Clipper" showed the improvement which its staff had made by this year winning from the Columbia Press Association an award of second place in its class.

In the magazine drive which was held so that the school might earn a sound projector, Natalie Dodge won the cash prize for the largest number of subscriptions on the date specified, and another prize for the largest amount of money collected during the entire contest.

The largest event ever held at Barnstable High School took place in March of this senior year, when, through the efforts of Mr. Samuel Griffiths, the New England Music Festival held its annual concert here. Seven hundred pupils, among whom were twenty-four from our class, practiced for two days in orchestra, band, and chorus in preparation for the two concerts which were given before full houses and were also broadcast. That such an event should be held at our high school fills us with great admiration for those who are making B. H. S. a greater school than we fully realize.

In April, further recognition of the quality of the work done in our music department was given when pupils from this school were asked to play at the Junior-Senior High School Principals' Conference, held at Framingham. From our class Carl Liimatainen, Mary Chaffin, Irene Hill, Estelle Nelson, Bryce Dunham, Alpo Hemmila, Jeanne Starck, and Rita Kelley were among those so honored.

As we review the year, we can point with pride to the athletic teams which we have helped to success. Emerson Bacon has been captain of football; Leroy Hopkins and Anne McKeon, captains of the basketball teams; Claire Burlingame, captain of field hockey; Fred Maki, of track; and Wray Lockwood, of golf.

In May, at the track meet with Plymouth, held at Barnstable, two records were broken by members of our class: Fred Maki broke by fifteen seconds his own record of 5:21 for the mile run; and Kalervo Sulkala broke by *one* second the half-mile record of 2:11.2, which had been held by Fairhaven since 1933 and the very next day broke his own record in the Vocational Meet. The next week at the Southshore Interscholastics at Weymouth, Maki broke by eight seconds the 4:56 record which had stood since 1933; and Robert Lebel broke the record for the 8-pound shot-put by throwing the shot fifty-two feet. These were the only two records broken, and both by Barnstable men.

To the teachers of this and former years who have struggled with and for us; to our class adviser, Miss Nehubian, who has worked so tirelessly for us; and to Mr. Knight, who has guided not only by word but by example and has worked always for our greatest good, we express our sincere appreciation and gratitude.

As makers of history of Barnstable High School we have ended, and with eyes fixed on the future, we conclude with a farewell to all our friends of the dear old school.

DEBATING AND STATE FORENSICS

In the season 1936-1937 the Barnstable High debating teams won three of the four debates in the Colonial Debating League by getting decisions over New Bedford High School, New Bedford Textile, and Brockton High. Barnstable lost in the debate with Fall River, yet divided honors with Fall River for the number of debates won in the league. In March, the Barnstable teams went to Charlton where they reached the semi-finals in the State Speech Tournament.

In the preliminary contest for the State Speech Tournament, in which Barnstable was host to the schools of the Southeastern District, Priscilla Shaw placed second in humorous declamations. At Charlton, in the State Speech Tournament, she placed first in the semi-finals, surpassing the youth who placed first in the finals and who was judged second in the National Forensic Tournament at Frederickville, Illinois.

 FRONT ROW: W. Fratus, D. Bowen, J. Walsh, A. Anderson, H. Atwood, W. Tsiknas, E. McIntyre.

Coaches Bangs and MacSwan, working with only thirty, the smallest squad in years to turn out, molded together what proved to be a very able team.

The varsity backfield was composed of "Horner" Hopkins, "Bucky" McIntyre, and Joe Walsh, a trio of hard-running backs, with the former also a kicker and passer; Al Anderson and Chet Coggeshall, quarter-backs and heady field generals; Lee Crocker, husky fullback and a good line plunger; and Henry George, who is exceptionally fast. The line, averaging about 160 pounds, was made up of Captain-elect Bill Stewart, Ed Covell, and Gordon Field, ends—all good receivers and fast men under kicks; Normie Drew and Johnnie Williams, a couple of slashing tackles, who spent most of their time in opposing backfields; Captain Emmie Bacon, Bob Lebel, and Ed Johnson, three hard-running guards; and Russell Starck, a good snapper-back, at the pivot post.

GOLF TEAMS

STANDING: O. Keyes, A. Bell, V. B. Bearse, Coach, W. Sanborn, J. Burke, W. Mott.
 SEATED: S. Montiero, G. Nickerson, R. Walsh, P. Fish, E. Rucker, E. Lagergren.

Barnstable High School is a member of the Southeastern Massachusetts Inter-scholastic Golf League, which is composed of the following other teams: New Bedford, New Bedford Vocational, Brockton, Dartmouth, and Falmouth, with each team consisting of six men. Since the matches are played on a home and home basis, each team has five matches at home and five away.

The scoring of points this year has been changed from that of previous years. This year the matches are played by "Best Ball," one point for the first nine, one point for the second nine, and one point for the match, a possible score of nine points for the winning team.

The High School team this year is composed of a new group of boys with the exception of Captain Lockwood, who has had previous experience. Twelve men reported for golf, all of whom have been retained on the squad, and, with the exception of two, have played in at least one match. To date the team has played five matches, loosing four and winning one. Inasmuch as the team is composed of inexperienced boys, it has done very well, and the prospects for a winning team next year are promising.

BASEBALL

REAR ROW: R. Wolfe, Mgr., D. Bowen, J. Drew, L. Crocker, L. Hopkins, E. Bacon, A. Anderson, C. Bearse, W. Mott, Asst. Mgr., J. A. Taft, Coach.
 MIDDLE ROW: C. Salo, H. Renzi, R. Mott, E. Covell, Acting Capt., R. McKinney, C. Coggeshall, C. Sullivan, P. Syriala, E. McIntyre.
 FRONT ROW: M. Robello, B. Besse, V. Robelle, F. Crowell.

In response to the call issued April 13, an unusually large squad of 38 candidates reported to Coach Taft for the first baseball practice. Although Panesis' "never-say-die" spirit was noticeably missing from the squad, the prospects for 1937 seemed bright for a successful season. The team suffered a severe loss when it became necessary for "Tuggy" Maki, captain-elect for '37, to leave school because of an unfortunate accident.

However, with four letter men of the 1936 team available and several experienced players among the new material, prospects for a winning baseball team seemed bright at the start of the season.

The team was unfortunate in meeting two of the strongest teams on the Cape in its first two games. Sandwich and Falmouth boasted of exceptional teams and sent the Barnstable nine away to a poor start by winning handily on their own diamonds. Then followed three fine victories over Provincetown, Yarmouth, and New Bedford Vocational.

Too much credit cannot be given the team for the way in which they rallied in the last of the ninth to beat Provincetown 8-7. Going into the last of the ninth with the score 7-6 against Barnstable, the team pushed across 2 runs off Collinson, the Provincetown star pitcher, who had been rushed into the box to hold their one-run lead.

Following these three successive wins, the team lost a hard-fought 12-inning game against Provincetown on the latter's diamond. Nevertheless, the team came back strong to beat the undefeated Sandwich club by 4-3. It was in this game that Covell really pitched his best brand of ball for Barnstable High. This win was the first over Sandwich in three years.

On Tuesday, May 25, Barnstable lost a close game to Plymouth in the last of the ninth by a score of 6-5. As in other games lost, the team failed to hit at opportune times and erred afield when errors were costly.

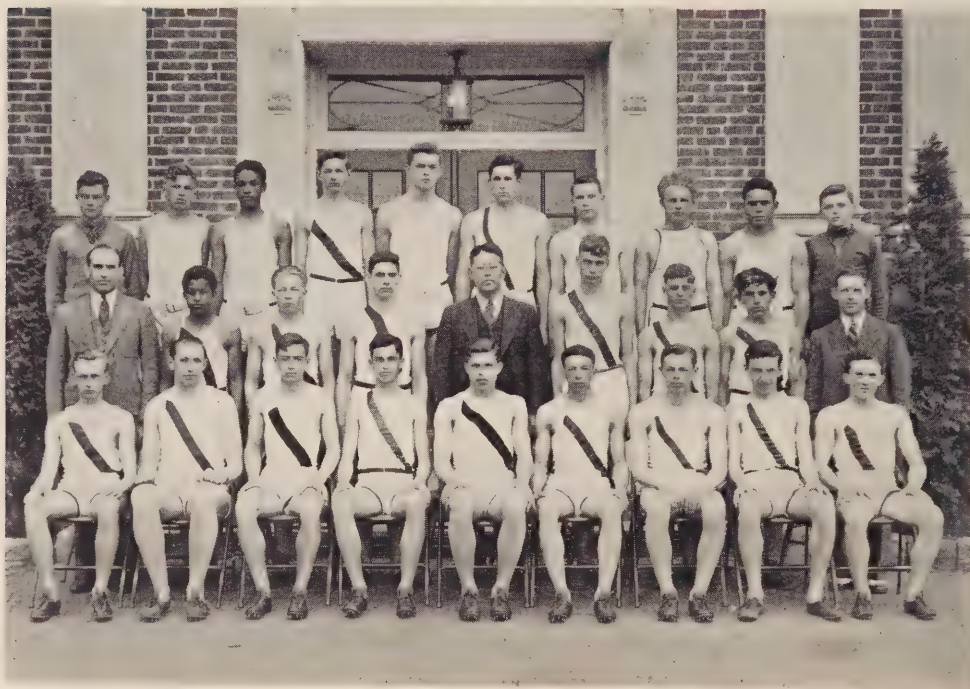

Falmouth was the next team to take Barnstable into camp. Up to the Falmouth game, our team threatened to spoil the Cape Cod title idea, but Rabesa, Falmouth's pitcher, soon convinced the Barnstable sluggers otherwise.

Traveling to Middleboro on Tuesday, June 1, the nine easily defeated them 12-3, leaving only four games to play as this book goes to press.

The work of Covell on the mound and the hitting of Renzi, Hopkins, and Coggeshall, have enabled the team to recover from the slump of its early games and win its share of the schedule.

TRACK SEASON

1937

REAR ROW: O. Keyes, Mgr., F. Johnson, L. De Grace, W. Sundelin, R. Lebel, L. Hopkins, J. Walsh, H. Atwood, H. Renzi, A. Williams, Asst. Mgr.
 MIDDLE ROW: W. F. Hodgkinson, Field Coach, A. Fortes, H. Willman, W. Rapp, W. P. Bangs, Coach, H. Jones, P. Fish, W. Gomes, B. K. Connor, Track Coach.
 FRONT ROW: B. Dunham, T. Hinckley, H. George, I. Bodfish, F. Maki, Capt., S. Montiero, K. Sulkala, J. Karras, R. Weigert.

A squad of thirty-seven boys reported for track at the close of the spring football season. Few veterans were left. Fred Maki, captain and one of the outstanding milers of the state; Kalervo Sulkala and Sam Monteiro, both half-milers; Joe Walsh, pole vaulter; Robert Weigert and Harold George, sprinters; and Ted Hinckley, high jumper and shot putter—all entered upon their final year of high school competition. Since all of these seniors are regular point winners, the burden of the season will fall upon them to the greatest extent.

Meeting Plymouth High School for the first encounter, Barnstable ran up an overwhelming score, with Capt. Maki leading the way with four first places. Sulkala lowered the track record in the half-mile, which had been held since 1933 by a Fairhaven runner.

The next day in a close meet, Barnstable lost to a strong team from New Bedford Vocational School; but here again Sulkala showed his power by lowering his own record of the previous day.

The third meet of the season was at Weymouth where Barnstable placed fourth of eight schools between Boston and Cape Cod. Age was a factor in this meet, and those contestants over 17 years were grouped as Class A; those under 17 years, as Class B. Captain Maki broke the existing record in the Class A mile, while Bob Lebel, competing in Class B, pushed the 8-pound shot over 52 feet to a new mark for the meet.

The remainder of the season will see Barnstable meeting Fairhaven and New Bedford in dual meets and also competing again for the South Shore Track Championship in the meet held on the Brockton High School Athletic Field.

BOYS' BASKETBALL

BOYS' BASKETBALL TEAM

STANDING: C. Cross, Mgr., E. McIntyre, L. Cannon, V. B. Bearse, Coach, J. Messervey, E. Bacon, W. Stewart, L. Tompkins, Asst. Mgr.
 SEATED: K. Sulkala, S. Montiero, G. Nickerson, L. Hopkins, Capt., E. Messervey, C. Coggeshall, F. Maki.

With a nucleus of four veterans reporting at the first practice, along with some promising new material, Coach Vernon Bearse molded together a mediocre team consisting of Capt. Leroy Hopkins, center; Sam Monteiro, Kalervo Sulkala, Emerson Bacon, and Chester Coggeshall, forwards; and Lawrence Cannon, Fred Maki, Bucky McIntyre, and Norman Drew, guards.

Starting the season by losing to Harwich at home, but turning the tables a week later at Harwich, the boys lost twice to Fairhaven, took Sandwich over the hurdles twice, split with Falmouth, did likewise against Story High of Manchester, were taken twice by a championship Provincetown team—the last time by only one point—beat Marblehead, lost to Middleboro, and tacked a defeat on Plymouth, making the record of the season of 1937 read seven wins and eight losses.

Playing against the championship Attleboro team, the boys dropped a first round game to the Jewelers at the Brockton South Shore Tourney.

This year inaugurated a three-day trip in which Story High of Manchester, Marblehead, and Middleboro men played in turn on successive nights.

GIRLS' BASKETBALL

GIRLS' BASKETBALL TEAM

REAR ROW: Helen Tsiknas, Frances Gage, Mgr., Mabel Pelton, Katherine Nehubian, Coach, Anita Lorange, Regina Cross, Mgr.

FRONT ROW: Agnes Weigert, Adele Nelson, Eleanor Corrigan, Anne McKeon, Capt., Claire Burlingame, Ethel McIntyre, Claire Dunham.

On January 2, the girls began basketball practice under the direction of Coach Nehubian. Because there were many new faces and all were inexperienced players, the prospect of a strong team was doubtful. After weeks of hard work, Agnes Weigert, Eleanor Corrigan, Mabel Pelton, Claire Burlingame, Helen Tsiknas, Anita Lorange, Ethel McIntyre, and, of course, Captain Ann McKeon, with her excellent guarding, were placed on the court against Sandwich. Barnstable lost that game, but with more practice and perseverance won the next four games against Falmouth and Provincetown. The loss of two games to Sandwich was taken with good sportsmanship.

Many thanks are due Coach Nehubian, Miss Ruska, and Captain McKeon for their excellent work and success with the girls' team of '37.

GIRLS' HOCKEY

FRONT ROW: Arthelia Grace, Muriel Bassett, Agnes Weigert, Sally Turpin, Ethel McIntyre, Phyllis Evans, Estelle Nelson, Adele Nelson.

Fifty-two girls showed the increasing interest in this activity by joining the squad. The first team consisted of Claire Burlingame, captain; Eleanor Corrigan, Agnes Weigert, Clare Dunham, Sally Turpin, Arthelia Grace, Barbara Siira, Ann McKeon, Adele Nelson, Gloria Woodward, Helen Tsiknas, with Phyllis Evans and Ethel McIntyre as substitutes. The team lost one game to Plymouth, tied Yarmouth twice, and won two games with Brewster and one with Plymouth.

The team of '36 wishes the team of '37 the best of luck throughout their season.
